## KING OCEAN SERVICES ®

January 14<sup>th</sup>, 2026

King Ocean is pleased to announce an enhancement to its weekly service between Port Everglades, Florida and Cartagena, Colombia, reflecting our continued commitment to service reliability and operational excellence.

Effective Friday, January 30<sup>th</sup>, 2026, King Ocean vessels will begin operating at the COMPAS Terminal in Cartagena. This transition will allow us to further strengthen schedule integrity and deliver a more dependable service experience for our customers.

The first southbound sailing under this new terminal operation will commence on Friday, January 23<sup>rd</sup>, 2026, followed by the first northbound sailing on Friday, January 30<sup>th</sup>, 2026. These sailings mark the continuation of our direct, regular weekly departures and arrivals, providing seamless end-to-end connectivity to key Caribbean and Latin American markets.

Customers and partners seeking additional information regarding this operational change are encouraged to contact their local commercial representative.

King Ocean looks forward to continuing to support its customers with reliable, consistent service and strategic port partnerships.
