

KING OCEAN SERVICES®

Date: October 8, 2024

Dear Valued Customers and Partners,

King Ocean is closely monitoring Hurricane Milton as it approaches the West Coast of Florida and wishes for the safety of our staff and the entire shipping community. We hope that everyone is taking the necessary precautions to prepare for the storm, as the safety of life is of the utmost importance.

The U.S. Coast Guard has declared port condition YANKEE, and King Ocean will shut down terminal operations at Port Everglades, FL, at 12:00 PM today, Tuesday, October 8. Our Port Everglades terminal will not be able to release empties or loads. Furthermore, we will not be able to spot or pick up containers until this condition is lifted or changed.

Additionally, our Miami Office and Warehouse will close at 12:00 PM today in preparation for the storm. However, our staff will remain available via email and phone for any inquiries. We appreciate your understanding and support during this time. Please stay safe!

Thank you for your continued trust in King Ocean.
