Re: Schedule Changes, Venezuela Service

Kindly note our sailing schedule has changed.

Effective June 13, 2025, our service to La Guaira and Puerto Cabello will transition from weekly sailings to both ports to an alternate weekly schedule. This means we will now sail to La Guaira one week and Puerto Cabello the following week, continuing in this alternating pattern.

This adjustment is being made to optimize operations and maintain reliable service levels across both ports.

We appreciate your understanding and continued support. For further assistance with planning your shipments under the new schedule, please do not hesitate to contact our customer service team.
