Colombia, Dominican Republic, Maracaibo and Trinidad String Sailing Changes

To our esteemed customers and agents:

King Ocean is very pleased to announce that starting **June 5, 2014** our Colombia, Dominican Republic, Maracaibo, and Trinidad vessels will sail weekly out of a new, dedicated terminal in the Mid-Port section of Port Everglades, FL and our vessels to these markets will now depart at 19:00 on Fridays.

We believe this move will significantly improve our service to you, as this terminal will be used exclusively for those four markets and will allow for later receiving of cargo and documentation thanks to the new 7pm departures on Fridays. Please contact your account or market representative at (305) 591-7595 for more information on the new, more flexible cargo and documentation cutoff times available to you.

Starting June 5, the address of our new Colombia, Dominican Republic, Maracaibo, and Trinidad terminal will be:

2990 Eisenhower Boulevard,
Fort Lauderdale, FL 33316

Once this service is in effect, this new delivery information will be given to you upon booking your cargo with us. All other King Ocean services will continue to operate unchanged; this move is only for the markets listed above.

Please feel free to contact us any time at (305) 591-7595 should you have any comments or questions regarding this matter or if you would like to receive more information on exactly how this move will improve your business with us.

Thank you and best regards.
